Well, it's almost here!...2020 – the 100th Anniversary of our beloved Goose Pond!

Founded in 1920, it is hard to believe that we have been running a Scout summer camp at this small slice of paradise for one whole century – 507 acres surrounding a 43-acre pristine glacial lake!

"Goose Pond is the 4th oldest continuously running Boy Scout camp in the nation!"

For 100 years our campers have gone home with memories to last a lifetime.

Come, help us celebrate as we honor our past and continue the adventure on into the next century!
